**Re: Supplemental Information; In the Matter of Applications for Consent to Transfer Control of Domestic and International Section 214 Authorizations Held by DeltaCom, Inc., Interstate FiberNet, Inc., and Business Telecom, Inc., from ITC^DeltaCom, Inc., to EarthLink, Inc.**

**WC Docket No. 10-209; IB Docket Nos. ITC-T/C-20101007-00397, ITC-T/C-20101006-00393, and ITC-T/C-2010100700398**

Dear Ms. Dortch:

Pursuant to staff request, Applicants in the above-referenced proceedings provide the following information to supplement their Applications for consent to the transfer control of domestic and international Section 214 authorizations held by DeltaCom, Inc. ("DeltaCom"), Interstate FiberNet, Inc. ("IFN"), and Business Telecom, Inc. ("BTI"), from ITC^DeltaCom, Inc. ("ITCD"), to EarthLink, Inc.

**Service Territory of Interstate FiberNet, Inc.:**

As noted in the application, IFN is a provider of wholesale fiber optic transmission services. IFN is authorized to provide such service in the following states: Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, New York, South Carolina, and Texas.

**Service Territory of New Edge Network, Inc.**

In the Application, Applicants stated that New Edge Network, Inc. ("New Edge") was authorized to provide service in 46 states. Applicants hereby supplement and amend the information provided regarding New Edge's service territory, and state that New Edge is authorized to provide service in 48 states. New Edge does not provide service in Hawaii, Idaho, or the District of Columbia.

Provision of Service by ITC^DeltaCom, Inc.

Applicants confirm that ITC^DeltaCom, Inc., the ultimate parent company for DeltaCom, IFN, and BTI, does not itself provide telecommunications services. Applicants further state that both Deltacom and BTI are authorized to provide interexchange telecommunications services in 50 states and the District of Columbia, pursuant to certification, registration or tariff requirements, or on a deregulated basis.

Provision of Service in Virginia by BTI

In Virginia, BTI provides service through its subsidiary Business Telecom of Virginia, Inc.
